Re: *Appropriate Framework for Broadband Access to the Internet over
Wireline Facilities*, WC Docket Nos. 02-33, 95-20, 98-10 (*Broadband NPRM*)

Dear Ms. Dortch:

Yesterday, Susan Davis, Angela Simpson and I, all of Covad Communications, met with Russell Hanser, Commissioner Abernathy's Acting Legal Advisor for Wireline Competition Issues, to discuss the status of the above-referenced proceeding. During the meeting, Covad reiterated its view that Title II common carriage should continue to apply to wireline broadband services. Covad also reiterated its continuing need for access to unbundled local loop and transport facilities to provide its own competitive voice and data telecommunications services. No written materials were presented at the meeting.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), an electronic copy of this notice is being filed in each of the above-referenced proceedings.

Respectfully submitted,

/s/ Praveen Goyal
